Subject: Notification of Bid Cancellation Due to Lapse of Validity Period

Dear Bidder,

We thank you for your submission in response to the above-mentioned bid.

Please be advised that, due to unforeseen administrative delays, the bid evaluation and adjudication process could not be finalised within the validity period as specified in the RFQ documentation.

As the validity period has now lapsed, the organisation is unable to lawfully proceed with the award in terms of applicable procurement legislation and policy frameworks, including the Preferential Procurement Policy Framework Act (PPPFA), 2000, and its Regulations.

As such, we hereby confirm the cancellation of the current RFQ process. The decision is made in compliance with Regulation 13 of the Preferential Procurement Regulations, 2017, which permits cancellation under justifiable circumstances.

Please note that the RFQ will be re-advertised in due course to ensure a fair, competitive, and transparent procurement process. Interested bidders are encouraged to respond to the new advertisement once it is published.

We regret any inconvenience caused and appreciate your continued interest in doing business with IDT.

Yours sincerely,
